~~H. J. BHABHA, Esq., M.A.~~,
Inspector General of Education in Mysore

To

C S Balasundaram Iyer Esq , B A ,
Offg Secretary to the Government of H H the Maharaja
of Mysore, General and Revenue Departments, Bangalore.

SIR,

With reference to your Memo No 4327 / Ed.164-09-2 dated 23 November 1909 I have the honour to inform you that the Principal of the Victoria Jubilee Technical Institute states that "the passed students of this Institute are recognised for the Government of India Scholarships and that the majority of students who have been awarded these scholarships have been trained here The subjects of studies for which they are granted are Mechanical and Electrical Engineering, Mining, Textile Manufacture including Dyeing and Bleaching "

The petitioner applies for a Damodardas Scholarship to enable him to go to Manchester for a special course of study in Weaving, Dyeing and Bleaching. He produces good certificates and according to the statement of the Principal of the Victoria Jubilee Technical Institute would be qualified for a Government of India Scholarship.

According to the Rules regulating the grant of scholarships from the Damodardas Charities Fund No 5429 / Ed.22-06-47 dated 10 December 1907 he is however disqualified under Rule V as he

has not taken a degree It is a question whether it is not advisable to modify the Regulations so as to permit a scholarship to be given to a candidate such as this.

In the event of his application being rejected he requests to be favoured with a suitable post in the Mysore State, but does not state what he considers a suitable post

The petition is returned herewith.

I have the honour to be,

Sir,

Your most obedient servant,
